Affidavit McDonald Welch Ser. 5th Regt Regiment  
Cavalry Missouri State Militia against Jackson Quick  
a citizen.

I am acquainted with the said  
Jackson Quick. I have known him at least  
twelve months. He is a resident of Rochefort  
Boone County Missouri, where he has resided  
principally for the last year. His reputation is that  
of a notorious secessionist. I have never heard of him  
doing anything for the Union either by word or deed,  
but have uniformly understood him to be a disloyal  
man. When at home I live in Rochefort Boone  
County Missouri. - Am at a Sergeant of Ser. 5th  
Regiment Cavalry Missouri State Militia, in the  
service of the United States.

I have personally  
known this man since  
since last March and have  
that occasion investigated  
crime charged on him.

I am of the opinion that  
if he could pick up a  
mule or horse & sell it he  
would take the chance.  
As to his not being paid  
in ten months by the Gov  
I know that to be false  
& I have been credibly in-  
formed while on the march  
from Glasgow to Bonine  
he left & went home without  
liberty. His Co Officers

To The Honorable Marshall General Sir your

in which I am treated I am A soldier I have Bin

war I have Belonged to the 9<sup>th</sup> M & M nearly 3 years  
and was captured at places the last trade that the rebels  
made in this State. I got A purloin too visit my

of them had ther own horses and I had some stock  
on my farm I want Best too feel here too keep the  
Bushackers from and I Boat A mile of one of the  
Thinks it all rite as he proud too me that he had

I sold it and in 2 weeks ther came A old rebel and  
cland it and had the Police too arrest me and I put  
my trial off Before the Justice and note for witnesses

That was the day Before my witness came from Boone co

I Do this too let you no what kind of a chance

here that will swear that he heard me say and  
pay for the mile. too tel the truth I learn since I  
came here the soldier was on a scout and his own horse  
gave out and his officer ordered him to drive his horse  
out and und take the mule in its place if the mule  
didnt belong too the soldier I Boat of it was <sup>suppl</sup> contr.  
The man that came from calvary and claimed the  
mule he is a real out stand at rebel. general I am  
innocent of the charge and did prove it and can  
do it again. and in the name of god is a soldier  
too. Bee keep out of his com pany. too please  
rebel general go. or the only man that can take me  
out and give me a fair trial and if dont satisfy you  
I am clear of the charge I want you too shoot me for  
reference call on the officers of the 9. <sup>th</sup> M. S. M.  
or James Marten and he will cite you too lots of  
good men that will swear I proved my self clear

havent any money too spend looking after the rebels  
I rather see them I trust my cause with you and my  
god and close hope you may order me before a court  
for justice I am in a bad place for a good soldier too

Respectfully returned to  
 Lieut Davis & Co. & sent  
 with this report. I am sorry  
 informed by Det. General  
 Whites (Ch. B. 9 Car in S. M.)  
 that the charges against  
 him are well founded &  
 that he took the money  
 on his way to St. Louis  
 without asking liberty of  
 any one. While I was in  
 St. Joseph Mo. I had oc-  
 casion at different times  
 to examine into charges  
 against this White for  
 stealing from his company  
 and citizens. My opinion

H. 4, 1864 7/10  
 is that he is justly deserv-  
 ing of punishment in this  
 case. The Co. Officer does  
 seem inclined to assist him  
 & he bears the reputation  
 of being a "hard case" in  
 his company.

Life to  
 For my

Daddy St. Louis

Dear I seat my self too inform you of a great  
 wrong that has bin practiced in this state this fall  
 with the soldiers. this fall there was a order that is  
 soldiers that had our horses the couldent get pay for  
 the use of them and a lost the same time the  
 rode was made and the officers told the soldiers  
 that if they would ride their horses if they gave out  
 they could take the first good horse he found and  
 it was practiced all there the last rode and a good  
 many soldiers ar cant a way from their officers  
 since and arrested by the rebels for stealer  
 the horses that their officers ordered them too too take  
 For instance I was captured at glades and  
 paroled I got a parol too go home too  
 soon so I had some stock there too been  
 here. the O. O. way soldiers was their and one  
 of them had a smile that he rode he paid too  
 me that he give his horse for a Boat the same and  
 paid \$1.35 for it and after I got here I sold it.  
 in 2 weeks I was arrested by the police I put my  
 trial off a week too get witnesses and I proved that  
 Boat and paid for it by a welthy good farmer  
 and the day he bore my officers and others swore they  
 would me 3 years and my character had never  
 bin spoiled and the day of the trial they bound  
 me over in a Bond of one \$1000. The rebel that  
 I sold too had it done too get me too compromise  
 and pay back the money too him the men  
 that is against me is the worst kind of sceler  
 and if them kind of men is allowed too  
 swear against soldiers it will soon weaken the  
 Federal army the latter is here wanting

me too eir them \$50 too take me out  
They say tha haerent any thing too hold me  
They say that they will take me out and rit of  
helies, corpis. general if A federal solyer has too  
fite releds and pay them too eir loas from them rite  
here, here under our noses and our officer allow it  
I dont no what kind of A wor this is, all ad mit  
That I proovd my self clear even the justice of the pace  
But his com of he didnt no my witness and him  
A retiald man as ther is in Proin co the lawers  
told me then that the military wood take halt of it  
or I wood eir Bail whilst he was here general  
I am A un Educated, I ll, and I am A paid  
of taken your pacience But I think you are  
too no how they treat us solyers I has Bin  
in the series nearly 3 years and redey  
too rein list But if I stay here I am  
A paid my witness will Bee you and then  
The releds will send me too se person citey

ther is here too staire against solyers I cant see why  
I shal Bee kep from my helies and you than  
ther is nothing against me only I am A solyer

Post at Columbia Mo

Majr Genl Dodge  
Commanding Dept of the Mo  
St Louis Mo.

Genl

It seems that John A. White  
a paroled prisoner of Co. B. 9th Mo. Cav. M. S. M. captured by the  
rebel Genl Clark at Glasgow was arrested for stealing a mule  
from a citizen of Callaway Co. Mo. — And was tried before  
Judge Wolfe of St Louis City. and for some reason was detained  
by the said Judge over the testimony of a Mr. Long of Boone  
Co. Mo. — Now in view of justice to all parties therein concerned  
I wish to state that the wife of a Soldier of the 42nd Mo. Infy  
came to Columbia to deal in the Stores and being late, and  
poor in pecuniary sense (knowing I and my family were loyal  
and liberal to the families of the soldiery) came and spent the  
night with us. Whereupon she stated that she lived near to Mr.  
Long and that she was at his house when he was preparing to  
go to St Louis to testify in behalf of said John A. White, and  
that Mr. Long remarked that he was afraid for the facts to  
to know that he was going on that business and that the  
said John A. White had stated that he would not have him to  
fail coming for the sum of \$500. — And that Dr. Robinson  
a practising Physician near this place and Judge Robt Lemon  
both Southern Sympathisers with whom the said John A. White

was very intimate during his stay of 2 or 3 weeks and whose acts and deeds caused Loyalists to distrust the loyalty of said White.

It is worthy of remark that the said Long with whom I am not personally acquainted is under oath and bonds to the Government. The object of this is to let Judge Wolfe know that it is very probable that Judge Wolfe could by search find enough evidence to convict said White of the charge against him. The names of the persons above mentioned all of them have excited my suspicion in this affair. It is certain that said White is not regarded here by Loyalists as a very correct man and some have stated to me that they regarded him as a spy in the Federal Uniform. I make this statement only that justice may have her due. I would prefer that my name may not be mentioned to the parties. I remain truly

Friend Marshall  
Dept of the War

Permit me to call (your attention to certain facts existing in my case some of which may not be in your possession First I was arrested by the civil authorities charged with having sold a male of which I was not lawfully possessed. In my opinion I refuted the charge and have reason to believe established my having been an innocent person ever. But for unaccountable reasons was remanded to jail in England if the thousand dollar Bail exacted by the Court. Subsequently I was taken from the County Jail & placed in the above named Prison

Also I would state that in consideration of the ownership of the property claimed having been proved I have paid the claimant the value claimed To wit One hundred and Sixty \$100.00 And hold satisfaction to that effect, all of which is respectfully submitted for your consideration Hoping that my case may meet with as early attention as is consistent with your convenience as the health of my family is in such a condition as to require my personal attention

Ad. Pro. Dept. of the Mo.

St. Louis. Jan. 13, 1865.

Respectfully referred to  
Major J. W. Barnes A. A. G.  
The Grand Jury have  
ignored the indictment  
for larceny against this  
man, and an examination  
of the notes of evidence  
taken by Recorder Wolf  
when he held the pris-  
oner to bail, leads me

to believe a conviction  
could hardly be ob-  
tained. I recommend  
the release of the pri-  
soner and his return  
to his regiment.

NOTE 1.

The company commander will here add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service; or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon, in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a probable case for pension, special care must be taken to state the degree of disability—as *i. e.*, &c.; to describe particularly the disability, wound, or disease; the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Par. 1260 Regulations, Edit. 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, ophthalmia, ulcers, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the separate detachment to which he belongs and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward these papers to the regimental, detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channel to his division commander; or, if the troops are not attached to a division, to his corps, department, or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the last paragraph on this paper; see that the soldier is furnished with the proper final statements in duplicate, and forward BOTH of these certificates direct to the Adjutant General United States Army, at Washington, D. C.; they will not under any circumstances be given to the hands of the soldier.

St. Louis October 9<sup>th</sup> 1864

Private Harden A. Williams Co. 6<sup>th</sup> Regt. Mo. Inf.  
He was committed to Gratiot St. Prison Feb. 27<sup>th</sup> 1864.

He was tried by Mil. Commission on the charge of  
'Larceny' and sentenced to be dishonorably discharged from  
the service, with loss of pay and allowances, and to be im-  
prisoned for the term of two years, in such prison as the  
General Commanding may designate, promulgated in  
General Order No. 13<sup>th</sup> District of North Mo. March 10<sup>th</sup> 1864.

He was transferred to the Mo. St. Penitentiary  
April 12<sup>th</sup> 1864, to undergo sentence.

From the records on file in this Office, mainly his  
own statements recorded to his fellow prisoners, it appears  
that Williams, in connection with other soldiers, on or about  
the 13<sup>th</sup> of Sept. 1864, <sup>was engaged</sup> in the robbery and larceny of a  
railroad train on the Hannibal and St. Joe Railroad, from  
which they took a passenger case, containing a large amount  
of money. - The Deputy Paymaster General being in want  
of the statement, reports however that no passenger had been  
sent about that time.

FINAL STATEMENT

OF

Private John Williams  
9th Regt of Cavl M. S. M.

VOLUNTEERS.

Died June 28, 1864

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Butler and Laurence must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Second Auditor, Washington, D. C.

Office Pro Mar Dist Rolla

Rolla Mo. Aug 20<sup>th</sup> 1864

Statement of Mrs. Julia Wright who being duly sworn deposes and says: I am the wife of Charles D. Wright, Private Co. G. 9<sup>th</sup> Cal. M.S. M. who is now stationed at Rolla Mo. This evening I was at Mrs. Thomas's in Rolla helping to make a dress. I sent Mrs. Anna Little down Mrs. or Miss Grim's after some and iron. When she came back she said that my husband shut the door on her and would not let her out of the house and that he was very drunk. I went down to the place to try to get him to go to Camp. When I got there I asked a soldier who was at the door and whose name I did not know if my husband was there, and he pointed to the bed. I went in and he was lying on the bed with a girl called Mary who stays there. I tried to get him to go to the Camp, but he refused to go. I then went to Camp and saw Lt. Cannon and he told me to come to the Provost Marshal's Office and get a Guard. As I came to the Office I met my husband on the Street, the soldier whom I saw at Grim's was with him. I took hold of him and tried to get him to go to go to Camp, he slapped me lightly in the face, tried to hold me to keep me from coming to the Office and scratched my hand. He used abusive and threatening language to me. I got loose from him and came and reported him.

Sir

Yours of the 10<sup>th</sup> inst. is before me  
in reference to Herman Achenbach whom I am sorry  
to learn is in one of the Military Prisons at Alexandria.  
I can say that I procured no papers from him. All  
the papers I got were from his father either at St.  
Louis or by mail. This too at considerable cost to  
myself. I have written to the father to know whether  
he desired us to forward the letters &c to the Son, and  
up to now have received no answer.

How Achenbach  
can expect me to mail a large Packet of papers  
for his benefit, and pay postage beside, seems to  
say the least of it very strange. My connection  
with him has already cost me some 10 or 15 dollars  
already. He must either send me the money to  
pay postage, or I must decline sending the papers  
as requested.

With Much Respect Yours &c

Dear Sir

Immediately on  
my arrival home I took steps to procure  
Heermans release. I failed however in  
consequence of the production of a de-  
scriptive list charging him with being  
a deserter from the 10<sup>th</sup> Me Reg. You know  
say that you have a paper signed by  
General Rosecrans releasing him from  
that charge on direct proofs in his  
favor. If you have such paper you will  
please forward it to me by return of mail  
as I cannot get along without it.

Respectfully returned to Department

Achenbach is undoubtedly a  
deserter. He admits his desertion  
his father confirms it, and he

Reported returned with infor-  
mation that at the last day of  
Achenbach was shown him when  
his sentence of imprisonment was  
mitigated from 6 to 3 months.

Col. Gray's letter betrays an abun-  
dant of misinformation -  
Achenbach is reported a deserter  
on the basis of Col. Gray's office  
and was convicted of deception  
on the evidence of his (A's) own  
written admissions made,  
signed & sworn to before me,  
corroborated by the testimony of a  
discharged soldier of his own

an unfortunate one for be-  
nevolent sympathy -

General

I enclose herewith the proceedings in the case of young Achenbach of which I spoke to you yesterday.

It seems to me that great injustice has been done this young man. from the fact that the crime of desertion is not proven.

I earnestly request, the sentence, evidently so unjustly made. may be reversed and the boy released from imprisonment.

He has evidently been convicted upon the evidence of a detective. (who was to receive \$30 for his arrest) and no official testimony given, establishing the fact that he was ever a soldier in the 10<sup>th</sup> Mo Cavalry.

Very Respectfully

In this case it has been clearly proved that the accused enlisted in Bowens Battalion which was afterwards the 10<sup>th</sup> Cav Regt. and which his own affidavit also shows. The papers, the defendant introduced viz his discharge from the Indiana Battery & his own statement & admit that he afterwards enlisted in the Indiana Battery without being discharged from Bowens Battalion which under the 22<sup>d</sup> article of war constitutes a desertion. His own statement is "I was not discharged from Bowens Battalion but lost it." I am of the opinion that it is not necessary that he should have been "mustered in" after enlisting in order to make him a deserter. He could not leave the Regiment in which he had enlisted without proper authority without being a deserter. The prosecution having proved that he was enlisted in that Regiment and that he afterwards left have clearly proved a prima facie case of desertion which devolves upon the accused to prove that he had proper authority to leave the Regiment which he has failed to do and which he does not even pretend to claim.

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veteran, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, or the one may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

15th Regt of Me. Cav. Vol.  
15.8 m. 6. Rgt July 7 '65  
VOLUNTEERS  
Died July 21 1864

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier's account. It will then be transmitted to the full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list with them be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 3d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Receipts."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Soldier and Laurence must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

NOTE 1.—This blank will be used for both enlistment and re-enlistment—enlistment of veterans, etc., etc., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, etc. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment binds to service. A muster-roll must, in all cases, precede payment of pay, bounty, pension, etc. A muster-roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The recruiting officer, commissary, or assistant commissary of musters, or the same may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

FINAL STATEMENT

OF

*John A. [unclear]*  
*1st Reg't of [unclear]*

VOLUNTEERS.

*Died Aug 24 1864*

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMANDING officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be submitted to the company commander of the Soldier, who will enter all the facts necessary to a full understanding of the Soldier's account on the master roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these master rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 3d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to baggage, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Soldier and Landwren must be entered on the master roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

The company commander will here add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

When a probable case for pension, special care must be taken to state the degree of disability—as *l. b.*, *etc.*, *etc.*—to describe particularly the disability, wound, or disease; the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Per. 1200 Regulations, Edn. 1961.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, melancholia, ulcers, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

This certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the separate detachment to which he belongs, and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will fill in the date and sign the surgeon's certificate, and forward three copies to the regimental, detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channel, to his division commander; or, if the troops are not attached to a division, to his corps, department, or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental post, or detachment, as the case may be, and the discharge is there held by the commandant of the proper authority, until the soldier's discharge, and the last receipt of this order; that the soldier is furnished with the final statement in duplicate, and forward BOTH of these certificates to the Adjutant General United States Army, Washington, D. C.; they will not, under any circumstances, be given to the hands of the soldier.

Camp at Clear Creek Miss. Dec. 2<sup>nd</sup> 1864

Major F. M. Sawyer  
Asst Adjt Gen.

Major

I have the honor to report that I have investigated the matter of the offense of the man Armstrong mentioned in the enclosed paper and find that the Disobedience named as the charge on which he was sentenced amounted to this.

He was detailed by Lieut. Benjamin Coleman commanding his squadron, as an orderly for some officer whose name I have been unable to learn, and refused to serve in that capacity, stating that he had been in that duty a long time and that he wished to remain with the squadron and help to some fighting. Lieut. Coleman arrested him and preferred the charges against him so far as I can understand.

He has always borne the character of a good and brave soldier in the regiment, always prompt to duty and I believe this was the only offense ever charged against him.

I am all the circumstances Respectfully

submit that his punishment has been sufficient  
and that the service will be more benefitted by  
his return to duty than by his longer inac-  
- curation.

Respectfully

Your obedient servant

J. S. Young

Form 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, adults, in the volunteer service. They will be made out in duplicate, in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty. The Regiment and Company in which the soldier has served should be given on the back.

Form 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, as the case may be, will accompany with enlistments as having mustered the soldier into the service of the United States before either of them is given, to the disbursing officer.

# FINAL STATEMENT

OF

Capt. Frederick Atzinger  
Co. "C"  
1<sup>st</sup> Reg't of Iowa Missouri

Volunteers.  
Dis. Nov 19<sup>th</sup> 1862

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other commanding officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment entered on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the master roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be gotten upon the receipt of these master rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are entitled by the Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipment, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Soldier and Landwarr must be entered on the master roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Second Auditor, Washington, D. C.

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the Superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of mustering, as the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

Shipping in Liverpool in  
the ship, in Washington for 24  
months of sailing for. If no can the  
the bank will be able. Then nothing  
of the name of the cargo till we  
commenced discharging. Left the ship  
was taken up by the police, and the  
next day was put in the hands  
of a squad of mounted men and  
discovered a horse & gun. The ba-  
talion to be fighting in their own  
house were surrounded by a unit  
to see as it can understand they  
were captured. I directed them  
and made my way to St. Louis  
where I landed in the 10th Mo  
Cavalry and then the name of  
the person who captured me  
next day after captured down my  
clothes and finally at 13 Barracks  
have seen the uniform till last  
Friday when a man whose name  
I don't know persuaded me to  
leave a letter for Captain to go  
and I, that man has my  
clothes now have been staying  
in different houses in Almond St.

tell this all when I went to the  
Prison Guard House, and  
gave myself up, as I heard that  
the guard were looking for me  
as the man with my clothes, and reported  
me as a deserter -

Recommended a trial of this man  
by Mil Commission for running  
Blockade & joining Guerrilla Co.,  
he is also a deserter from Fed.  
army, & should be tried for  
desertion -
